Washington Aqueduct.

OFFICE OF THE WASHINGTON AQUENCET, Washington, March 5, 1857.

DROPOSALS are invited for materials and work for the Washington aqueduct.
roposals received up to 7th May will be opened at noon of that

et will be ready for examination at this office on and after the 20th pril next.

The work to be let will embrace masonry of some of the bridges, radication, excavation, and embankment of reservoirs, iron papes consected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, ubble, and cut stone, &c.

For the particular works and materials reference is made to the perifications and plans.

As upon a portion of the line the titles are not yet acquired by the fulled States, there may be some delay in commencing the work hereon; but for such mayolable delays due allowance will be made as the time of completion.

thereon; but for such unavoitable decays the anowance win be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation to holding out sufficiently, to decide when and what works shall be stopped out if funds become available.

In case of the entire atoppage of any particular work for want of funds, the reserved ton per cont. will be paid, if, in the judgment of his engineer, the work has been properly executed so far as it has gone.

Fayments will be made in specie checks upon the United States reasury upon the monthly estimates of the angineer, reserving 10 per cent: and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie. All bids should be scaled, and endorsed "Proposals for work or ma-crisis on the Washington Aqueduct."

CHARLES S. D. JONES. ATTORNEY AT LAW.

WE PUBLISH TO-DAY Parton's Life of Aaron Burr.—14fe and Times of Aaron Burr, by J. Parton, I. vol., 1700 pages crown octavo, illustrated by engravings on steel and wood. Price 24.75. Parton's Life of Burr is in every respect an original and peculiar work, of absorbing interest, and possessing peculiar claims to the st-

work, of absorbing interest, and possessing peculiar claims to the attention of Americans.

The author claims that in this volume the story of Aaron Burr's strange, eventful life is told for the first time, and is derived in great part from the personal reminiscences of his surviving friends, connexious, and acquaintances.

The peculiar, remantic, and eventful life of Aaron Burr has afforded material for one of the most interesting and fascinating biographies ever written. While incidental to the subject, the rise and progress of the great democratic party of the United States is fully recorded.

The volume is printed on superfine paper, and illustrated with steel potrraits of Burr and his daughter Theodocia, and several wood engravings.

vings.

FOR LEASE.—A square of ground situated cor-ner of 16th and Boundary streets, No. 188, for a term of seven years. For particulars apply to GEORGE W. BRAY. "Collector and Agent for Houses," Jan 22—codim No. 282 Ninth street, between M and N.

The Organization of the Executive Departments of the Government of the United States:

being first entered in an analytic lable or index.

Consular Branch.—This branch has charge of the correspondence, &c., between the department and the consuls and commercial agents of the United States. In it instructions to those officers, and answers to their despatches and to letters from other persons asking for consular agency, or relating to consular affairs, are prepared and recorded.

The Disbursing Agent.—He has charge of all correspondence and other matters connected with accounts relating to any fund with the disbursement of which the department is charged.

The Translator—His duttes are to furnish such translations as the department may require. He also records the commissions of consuls and too consuls, when not in English, upon which exequaturs are issued.

Has charge of all Indian troaties, and business relating thereto.

Clerk of Authentications and Copyrights.—He has charge of the scale of the United States and of the department, and prepares and attaches certificates to papers presented for authentication; receives and accounts for the fees. Has charge of publications transmitted to the department under the laws relating to copyrights; records and indexes their titles; records all letters from the department, other than the diplomatic and consular.

Clerk of Pardons and Parsports—He prepares and records pardons and remissions; and registers and files the potitions and papers on which they are founded. Makes out and records passports, keeps a daily register of all letters, other than diplomatic and consular, received, and of the disposition made of them; prepares letters relating to this business.

Hon. Jeremish S. Black, Attorney General of the United States; R. H. Gillet, esq., chief clerk. The ordinary business of this office may be classified under the following heads:

1. Official opinions on the current business of the government, as called for by the President, by any head of department, or by the Solicitor of the Treasury.

2. Examination of the titles of all land purchased, as the sites of arsenals, custom-houses, light-houses, and all other public works of the United States.

3. Applications for pardons in all cases of conviction in the courts of the United States.

4. Applications for appointment in all the judicial and legal business of the government.

5. The conduct and argument of all soits in the Supreme Court of the United States in which the government is concerned.

6. The supervision of all other suits arising in any of the departments when referred by the head thereof to the Attorney General. To these ordinary heads of the business of the office are added at the present time the following, viz:

First. The direction of all appeals on land claims in California. Second. The codification and revision of the laws of the District o. Columbia.

Secretary of the Department of the Interior, Hou. Jacob Thompson, of the State of Mississippi. Its clerical force consists of one chief clerk, (Moses Kelly, e.g.,) two disbursing clerks, and ten other regular clerks; and to its supervision and management are committed the following branches of the public service:

1st. The Public Lands. The chief of this bureau is called the Commissioner of the General Land Office.
